

LED FLOODLIGHT

PRODUCT SPECIFICATIONS

ITEM	10W	20W	30W	50W	100W	150W
Luminous Flux	850 Lm	1700 Lm	2550 Lm	4250 Lm	8500 Lm	12750
Luminaire Efficiency	> 88%					
Beam Angle	120°					
IP Rating	IP 65					
Color Temperature	Cool White - 6000K			●		
	Natural White - 4000K			●		
	Warm White - 3000K			●		
Life Span	50,000 hrs					
Input Voltage	AC 85V - 260V					
Item Dimension (mm)	115x87x90	140x180x100	225x185x140	290x240x160	360x287x150	451x311x202

PRODUCT FEATURES

1. High voltage, low current, energy-saving, environment friendly
2. Performance stability, high IP rating of water-proof and dust-proof
3. Good appearance, small size and weight, flexible to install
4. Columnar-structured heat radiator to dissipate heat from all directions

ILLUMINANT PARAMETERS

LED type	High Power LED
Beam Angle	≥ 120°
Frequency (Hz)	47 to 63 Hz
Color index (CRI)	≥75Ra
Power factor (PF)	≥ 0.95
Power Efficiency	≥ 85%
Material	Aluminium Alloy with Powder Coating
Fixture Colour	Grey/ Black
Warranty	3 years
LED life span	50,000 hours
